PM in Manipur today, first since 2023 clashes

To inaugurate projects worth ₹8,500 crore

PRESS TRUST OF INDIA Imphal, September 12

PRIME MINISTER NARENDRA Modi will visit Manipur on September 13, his first trip to the state since ethnic violence broke out two years ago, and will interact with internally displaced people in Churachandpur and Imphal, besides inaugurating development projects worth ₹8,500 crore.

The PM's visit, which was officially confirmed by chief secretary Puneet Kumar Goel, comes amid repeated criticism by opposition parties for not visiting Manipur following the ethnic strife between the Kuki and Meitei communities, which has left over 260 people dead and thousands homeless since May 2023.

Addressing a conference here, the chief secretary

Hoardings welcoming PM Modi have been put up along the route from Imphal Airport to Kangla Fort ahead of his visit ANI

asserted that peace is "not only the absence of violence but also the presence of trust, harmony and reconciliation".

In a release, the PMO said: "In line with his commitment to inclusive, sustainable and holistic development of Manipur, the PM will lay the foundation stone of multiple development projects worth over ₹7,300 crore at Churachandpur." Modi will also inaugurate multiple development projects worth more than ₹1,200 crore at Imphal, it said.

Reacting to the announcement of Modi's visit, the Congress claimed that the trip, instead of providing a force for peace and harmony, is actually going to be a "farce". Manipur has been under the President's Rule since February, following the resignation of CM N Biren Singh.

Sebi's IPO push

AFTER RECEIVING FEEDBACK from various stakeholders to its consultation paper reducing the retail quota of IPOs of over ₹5,000 crore to 25%, it has been retained at 35%. Sebi chairman Tuhin Kanta Pandey explained that it has been addressed through changing the minimum public offer (MPO) structure.

Responding to a question on the committee of conflict of interest's report, Pandey said that it is expected to come out this month. The committee was formed on April 9 to recommend changes in the conflict of interest code of the market regulator.

The market regulator's board meeting made sweeping changes to IPO rules. While provisions governing the IPOs having a post-issue market capitalisation of up to ₹50,000 crore remains the same, those with m-cap between ₹50,000 crore and ₹1 lakh crore have been given extended time of five years from 3 years earlier to achieve minimum public shareholding (MPS) of 25%.

For companies with postissue market cap between ₹1 lakh crore and ₹5 lakh crore, the MPO has revised to ₹6,250 crore and at least 2.75% of mcap. These companies are required to achieve an MPS of 15% in five years and 25% within 10 years. Current provisions require them to achieve 10% within 2 years and 25% within 5 years of listing.

Companies above ₹5 lakh crore m-cap will be required to float a minimum public offer of ₹15,000 crore and 1% of post-issue m-cap, subject to minimum dilution of 2.5%. They have been given time up to 10 years to achieve 25% minimum public shareholding subject to some conditions.

Other changes are higher anchor portions of MFs, life insurance companies and pension funds have also been approved. The book size of anchor investors has been increased to 40% through 33% earlier. Sebi officials said that extending the proposed timelines to listed entities will ensure consistency and parity in regulatory treatment.
