Mamata Machinery Secures Third Consecutive Order for 9-Layer Blown Film Plant from a UAE Customer

Ahmedabad, India – September 09, 2025: Mamata Machinery Limited ('Mamata' or 'the Company'), a leading machinery solution provider in the flexible packaging industry, today announced that it has secured its third consecutive order for a 9-layer blown film plant under its Co-Extrusion product segment. This is also the Company's second major export order in this product category, reaffirming its global competitiveness and customer trust. Valued at ~USD 1.17 million, the order has been placed by a customer based in the United Arab Emirates. The plant will be commissioned for the production of high-barrier films, with delivery scheduled for Q4FY26.

This milestone follows Mamata's recent announcements regarding two earlier order wins from customers in India and Latin America, marking a growing international footprint for its advanced Co-Extrusion solutions.

About the Company:

Mamata Machinery Limited is a leading global provider of total flexible packaging machinery solutions, offering a comprehensive range of products across the value-chain, from co-extrusion to converting and advanced packaging machinery. With over 35 years of industry experience, Mamata has established itself as a trusted engineering enterprise, boasting more than 5,000 machine installations in 80 countries worldwide. The Company is renowned for its consistent innovation and numerous industry-first product introductions, delivering cutting-edge solutions that address the evolving needs of the flexible packaging sector. Mamata's commitment to technology, quality, and customer-centric design has made it a preferred partner for businesses seeking reliable and efficient flexible packaging solutions on a global scale.
