Mamata Machinery Limited Bags One More EEPC India “Star Performer” Award for Outstanding Export Performance

Ahmedabad, India – May 19, 2025: Mamata Machinery Limited (‘Mamata’ or ‘the Company’), is proud to announce that it has been honored with the prestigious “Star Performer” award at the EEPC INDIA – 40th Western Regional Export Performance Awards for the year 2021-22. The award, presented by EEPC India (formerly Engineering Export Promotion Council), recognizes Mamata’s exceptional export achievements in the Medium Enterprise category.

This recognition is a testament to Mamata Machinery’s outstanding export performance during the financial year 2021-22, further reinforcing the Company’s position as a leading exporter of high-quality, and technologically superior flexible packaging machinery solutions. With a robust global footprint, Mamata’s flexible packaging machinery solutions have reached over 75 countries, exemplifying the spirit of “Make in India, for the World.”

The “Star Performer” award marks the 22nd accolade Mamata Machinery has received from EEPC India, adding to an impressive list of honors from respected industry bodies and other organisations such as the Institute of Economic Studies (IES), Indian Institute of Packaging – New Delhi, and The Economic Times. These recognitions collectively highlight Mamata’s sustained commitment to excellence, innovation, and global competitiveness.

Mamata Machinery extends its gratitude to its dedicated team, valued customers, and partners worldwide for their continued trust and support. The Company remains focused on delivering world-class engineering solutions and driving the growth of Indian exports on the global stage.

About the Company:

Mamata Machinery Limited is a leading global provider of total flexible packaging machinery solutions, offering a comprehensive range of products across the value-chain, from co-extrusion to converting and advanced packaging machinery. With over 35 years of industry experience, Mamata has established itself as a trusted engineering enterprise, boasting more than 4,800 machine installations in 75 countries worldwide. The Company is renowned for its consistent innovation and numerous industry-first product introductions, delivering cutting-edge solutions that address the evolving needs of the flexible packaging sector. Mamata’s commitment to technology, quality, and customer-centric design has made it a preferred partner for businesses seeking reliable and efficient flexible packaging solutions on a global scale.
